Emmanuel's LCV is sponsoring a clothing drive for Lutheran World Relief. Needed are children's clothing up to 12, men's work clothing and all kinds and sizes of sweaters. Items are to be brought to the church by Sunday, November 12. They are also planning to assemble Activiti-Kits. All members of the congregation are invited to share in this project.

Three hundred attended the WMS meeting of the Allegheny Conference held at the Glade Mennonite Church on Saturday. Delegates attended from Johnstown, Scottsdale, Beallville, Pinto, Hyattsville. Many other areas were represented, including many from Delaware. Reports were given by several groups, and Adella Kanaw, Fairfax, Va., was a special speaker. Individuals brought a packed lunch and coffee and doughnuts were furnished by the hostess group, Glade Mennonite Church.

Communion services will be held this coming Sunday at 9:30 a.m. at Glade Mennonite Church. This time is one-half hour earlier than usual, due to the change nationwide in time.

World Community Day will be celebrated by the Garrett County Unit of Church Women United at Bethel Methodist Church, Mt. Lake Park, on Friday, November 3, with registration at 12:30 p.m. A worship service, "Testimonies of Discipleship," will begin at 1 p.m. with many different churches in the county taking part. Pastor James Remley

will give a welcome address, and Mrs. Glen Handl will be the speaker of the day. Gift certificates will be sold to help with the many projects carried on by Church Women United. A joint choir will sing the hymn "Praise and Thanksgiving," and lead with the congregational hymns. Mrs. Pat Steyer will serve as organist. A choir rehearsal was held at the church on Sunday afternoon. Everyone is invited to attend this special service.

Pastor and Mrs. Mitchell and Mrs. Phyllis Buckel attended the workshop on the new hymnal held at Clarksburg, W. Va. on Saturday. Lutheran Church Women Meet Mrs. Leora Yaste was hostess to the Lutheran Church Women of Emmanuel on Friday evening. Mrs. Yaste and Margie Breneman were leaders of the topic "The Creed" and went into detail about the origins of our churches' creeds, namely the Nicene and Apostles' Creed. The similarities and differences of these two creeds were discussed and the impact on each one's personal faith was examined. The explanation of the creeds as found in Luther's small catechism was discussed.

Attended Grand Visitation of Eastern Star. Mrs. Martha Gifford and Mrs. Carole Paugh attended the Grand Visitation of Eastern Star held at the Masonic Lodge in Oakland on Saturday afternoon. Mrs. Gifford

served as organist for the celebration, and special music was furnished by Earl Clark and Wilda Hile. The Worthy Grand Patron spoke on "Friendship" and made the observation that each person, living 70 years, having made a new friend each day of his or her life would have a total of 25,200 friends, the equivalent of Garrett County's population. He went on to say that "the beautiful new temple in which we are today speaks of the great friendship Mr. and Mrs. Paul Naylor must have felt for their many friends in Garrett County." More than three hundred attended the Visitation, with visitors from West Virginia as well as the entire state of Maryland. A salad luncheon was served to the group, and a "Country Store" was available for purchases of foods and other articles. Mrs. Helena Thrasher is Worthy Matron of Oakland Chapter

State Citizens Want Basic Skills Taught In Schools, Poll Says

BALTIMORE (UPI) — Most Maryland citizens believe the state education system is too permissive and should put more emphasis on basic skills such as reading, writing and arithmetic, a Baltimore Sun poll said today.

However, the Sun said that of 614 registered voters interviewed Oct. 8 and 9, only 10 percent chose education as the most important of five issues. The other issues were taxes, unemployment, economic development and a candidate's integrity.

The Sun said 92 percent of the voters agreed that education should place more emphasis on basic skills and 72 percent believed state schools are too permissive.

The poll showed that geographic distribution of voters made no difference in the answers to either question relating to schools.
